

Project Contract

Between _____ and _____

I understand that this contract is to help me finish my _____ project on time and with enough information. I know that I will need to check in with my teacher each day. He/She will initial my contract if my work is done for that day. If my work for that day is not done on time, I will use my time to get it finished. My goal is to be able to complete projects and assignments on time without a contract.

Together, we have set these goals...

	Specifics	Initials
